Pembroke Building Fund

Pembroke has an excellent Facilities Master Plan in place and we will be progressing key projects in tandem with our new Strategic Plan. A number of campus renewal initiatives are on the horizon for 2024 and beyond and we look forward to sharing more details next year. We invite you to be a part of realising the School's Facilities Master Plan by making a tax-deductible donation to the Pembroke Building Fund. We strongly encourage an amount of \$1,200 per annum which equates to \$600 per fee instalment. The other option is \$810 per annum which equates to \$405 per fee instalment. Your valued donation will be recognised under the School's Community Giving Program with cumulative donors of \$1,000 qualifying the donor(s) for membership to the Pembroke School Foundation.

School Policies and Your Obligations

School Policies on enrolments and fees are outlined below:

1. The persons who have contractually taken on responsibility agree to be bound by the School's fees and charges.
2. The Schools accounts for fees, charges and disbursements are to be paid within four weeks of the account being first rendered. The School reserves the right to refuse continued enrolment at the School if the account is not paid by the due date. The account must be up to date before a student is permitted to go on any non-curriculum trips, camps or excursions for which a charge is levied.
3. Annual Tuition and Boarding fees are payable in two equal instalments. Newly enrolled students cannot make payment of more than one semester's fees, in the first instance. Students who have completed at least one semester of study at Pembroke prior to January 2024 are eligible to pay the total 2024 Tuition Fee in full, prior to 9 February 2024, in which case a discount of 2.0% on Tuition fees will be applied.
4. The School reserves the right to recover any collection costs as a result of accounts being overdue.
5. The School requires a full term's notice to the Principal in writing to be given before the removal of a student from the Day School and before the discontinuation of any special extra subject. Failing such notice the applicable fee for a full term will be levied.
6. Enrolment and re-enrolment into the Boarding House is for the full school year unless otherwise agreed. Parents accept the responsibility for the payment of the boarding fees for the whole of each year or the agreed lesser period for which the student is accepted into the Boarding House. No refund will be offered for students whose accommodation ends "early" due to the nature of their study, for example Year 12 students who in most cases leave the Boarding House prior to the end of Term 4, on the completion of their final examinations/assessments. Boarding enrolments will automatically renew for the following year, unless notice in writing is provided to the Principal by no later than the first day of Term 4 of the preceding year. Failing such notice, annual boarding fees for the subsequent year will be levied.
7. Written application for extended absences must be made to the Principal, Mr M Staker as per the School's [FFPOS Deferment, Suspension and Cancellation Policy](#).
