

Applications are invited from enthusiastic, suitably qualified and registered teachers to work at Pembroke School in the following position:

Teaching Position – July 2021 Mathematics Teacher

Pembroke

Full-time Permanent Position Commencing Term 1, 2022

Pembroke School is a co-educational, non-denominational, day and boarding School from Early Learning Centre to Year 12. Pembroke School offers the South Australian Certificate of Education (SACE) and is also an International Baccalaureate (IB) World School, offering the IB Diploma and the Primary Years Programme (PYP).

We are seeking a dynamic, innovative, knowledgeable and engaging teacher of Mathematics for this full-time permanent position. The successful applicant will have a passion for teaching Mathematics, relate well to students, parents and staff and always have students' best interests at heart. They will be qualified, have well established teaching experience and be suited to teach Year 7-12 students on our Middle and Senior School campuses. They should be familiar with the Australian Curriculum and ideally have experience in teaching across a range of courses from SACE or IB DP Mathematics.

The Mathematics Department at Pembroke School is a group of approximately 20 specialist Mathematics teachers who work in an environment that emphasises teamwork, collaboration and support. The Australian Curriculum is taught from Years 7 to 10, where classes are organised into ability-based streams (sets) to aid with enrichment at all ability levels. There is an acceleration program for the higher ability streams, and some smaller classes to cater for the needs of students with learning difficulties. In Years 11 and 12, both SACE and IB Diploma courses are offered.

For general information on Teaching at Pembroke School please refer to the document [Information to Applicants](#) on the School's webpage.
