# YEAR 12 RESULTS 2011

## 2011 RESULTS

Results for both of our 2011 academic programmes: the South Australian Certificate of Education (SACE) and the International Baccalaureate Diploma (IB) are summarised in this brochure as well as details of the Australian Tertiary Admissions Rank (ATAR).

Congratulations to all our students who have attained such pleasing results in their final year! Many have achieved personal best results and their commitment to their senior studies deserves special commendation and should be celebrated.

Our congratulations are also extended to the dedicated staff of Pembroke and other Schools who have taught these students over the years, as well as to parents!

### South Australian Certificate of Education

Congratulations to the pioneering graduates of 2011, the first under the requirements of the new SACE. We would like to acknowledge the following student achievements:

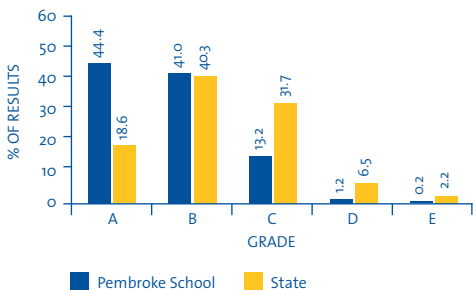

- One student completed their SACE with four subject merits
- Three students completed their SACE with three subject merits
- Four students completed their SACE with two subject merits
- Three students completed their SACE with a TAFE Certificate III qualification which contributed either to their ATAR or an apprenticeship.

### Subject Merits

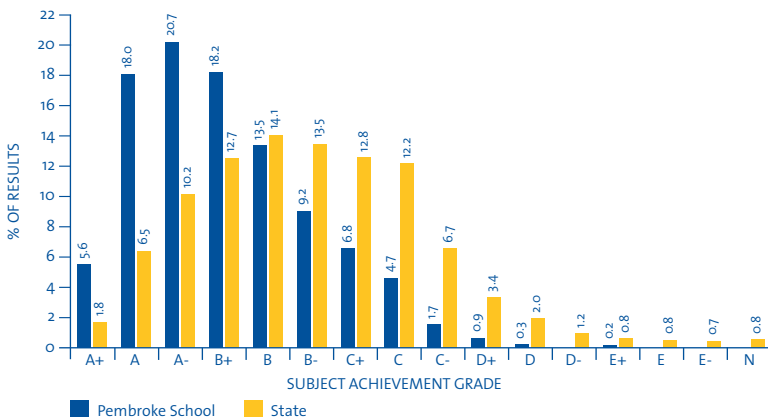

To be awarded a Subject Merit under the new SACE, students must achieve an A+ grade and be deemed to be in the top 2% of the subject.

## Australian Tertiary Admission Rank (ATAR) Combined SACE and IB

Although Australian States and Territories have different Year 12 Certificate requirements, all student results are converted to a common, Australia-wide scale through the ATAR. This rank, on a scale of 99.95 – 0, is used for university entry nationwide. Our 2011 results on this scale were impressive:

- 20 students (9.2% of year level) achieved an ATAR of 99 or higher (top 1%)
- 83 students (38.2% of year level) achieved an ATAR of 95 or higher (top 5%)
- 127 students (58.5% of year level) achieved an ATAR of 90 or higher (top 10%)
- 169 students (77.7% of year level) achieved an ATAR of 80 or higher (top 20%)
