Year 12 Results 2014

Results for both of our academic programmes: The South Australian Certificate of Education (SACE) and the International Baccalaureate Diploma (IBD) are summarised in this brochure as well as details of the Australian Tertiary Admission Rank (ATAR).

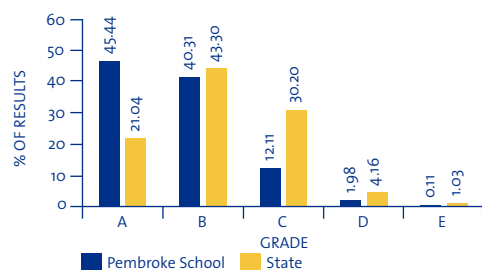

Congratulations to our Year 12 2014 graduates who have attained such excellent results in this most challenging of final years! Many have achieved personal best results and their commitment to their senior studies deserves special commendation. Our congratulations are also extended to the dedicated staff of Pembroke and other Schools who have taught these students over the years, as well as to parents!

2014 IB DIPLOMA SUBJECT GRADE DISTRIBUTION

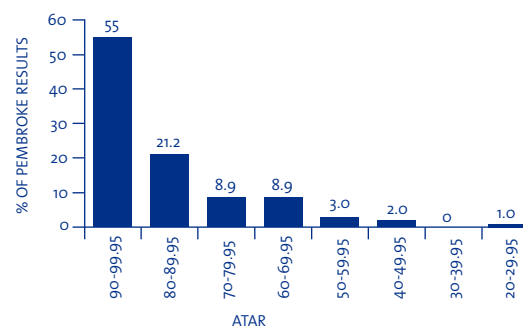

Australian Tertiary Admission Rank (ATAR) Combined SACE and IBD

Although Australian States and Territories have different Year 12 Certificate requirements, all student results are converted to a common, Australia-wide scale through the ATAR. This rank, on a scale of 99.95 – 0, is used for university entry nationwide. Our 2014 results on this scale were most pleasing:

- Seven students achieved an ATAR of 99.95: three in SACE and four in IB Diploma.
- 21 students (10.3% of year level) achieved an ATAR of 99+
- 71 students (35% of year level) achieved an ATAR of 95+
- 112 students (55% of year level) achieved an ATAR of 90+.
- 155 students (76.3% of year level) achieved an ATAR of 80+ or higher.
